**1** From car park entrance with Anchor ahead, turn left. 40 yards on with bridge to right, bear left past metal barriers and on to tow path.

Follow with golf course to right and trees to left for 500 yards. Pass under power cables and continue for 150 yards to the T junction.

Walk ahead with canal to right and trees to left for 850 yards. Canal path bends to right then, 70 yards on, pass brick footbridge and continue ahead.

Turn right, head along lane for 200 yards and turn left at footpath sign (see assist). Pass stile to right, enter field and continue ahead along left edge. 330 yards ahead, cross stile to left of metal gate (see assist) and turn right.

After 350 yards, path curves to left. 70 yards ahead, pass tiled brick tower on opposite bank. 180 yards ahead, river Wey appears briefly to the left then, 230 yards on, appears again.

Follow right edge of field with pylons and power lines to left for 300 yards. Pass footpath sign and metal kissing gate to right. 25 yards ahead, pass footpath sign and continue ahead on grass track.

Continue on tow path for 100 yards and turn right across footbridge (you may choose to continue ahead past lock keepers cottage for 85 yards to view Walsham weir).

60 yards on, with pylon 50 yards ahead, turn right at footpath sign. Walk between fields for 100 yards then path curves to left. Continue for 120 yards, cross stile to left of metal gate and walk ahead on to gravel drive.

From bridge, follow path round for 40 yards past canal to left. Bear right past footpath sign and wood barrier then walk ahead through small car park on to tamac track.

90 yards ahead, cross lane at 2 o'clock. Pass footpath sign and walk

through wood gate to left of 5 bar gate. Continue along left edge with hedge to left for 150 yards.

In field corner, pass through wood gate and cross footbridge. Walk straight ahead over track, across grass and on to cinder track (see assist).

After 100 yards, track ends. Continue across fairway aiming for marker post 100 yards ahead. At marker post, bear left and walk between grass banks 20 yards ahead (see assist).

Continue ahead at 11 o'clock across fairway for 60 yards and turn left 10 yards before next marker post (see assist). Follow right edge of fairway for 120 yards then continue ahead on cinder track.

Pass marker post then 6th tee to left and track ends. Walk ahead on to grass then bear left at 11 o'clock (see assist) ingoring fork to right.

Follow path for 50 yards up to the road and turn right. Continue for 200

yards, cross bridge and you're back at the Anchor to enjoy some well deserved hospitality!
